7A SUBJECT'S STATEMENT REGARDING THE USE OF FORCE	DNA	REFUSED	UNABLE TO INTERVIEW (Specify Reason)
<p>At 0040 hrs in the 10th District Processing room #1 subject Simmons, Lisa agreed to answer questions after having her rights read. Bribit stated she and her son had liquor on the street as the officers approached. She stated that she wanted to know what her son was going to be charged with so she repeatedly approached his arresting officers. She furthered that there was a lot of people gathering as they were placed into custody. During her arrest she stated she pulled away from the officer and he pushed her onto a car as he gained control over her. No further questions were asked.</p>			

7B WATCH COMMANDER/OCIC RATIONALE FOR BOX 7A FINDING			
<p>Simmons' account matched the officer report. She also stated that she accepts if she is being charged with drinking on the street but did not feel anyone injured. The resistance described by both officer and subject is consistent to the recollection of the use of force methods completed by the officer. The level of force used complies with Department procedures and directives.</p>
